

# Client achieves **Digital Transformation** and enables complete **Process Automation** through Salesforce integration with **DocuSign**

## About the Client

The client is a leading sports committee in the US that manages Olympic and Paralympic activities.

## Solution

- **Integrated DocuSign** and automated **Athletes' e-signature process**.
- **Customized objects**, page layouts and **created online forms**.
- **Click Deploy implementation** to keep environments in sync.
- **Auto storage** of DocuSign envelopes using **SharePoint file storage**.

## Benefits

- ✓ Uninterrupted workflow that led to improved user adoption and productivity.
- ✓ Hassle-free and automated e-signature process
- ✓ Automated project payments, access to deeper insights, and quick conflict resolutions.
